Dear Parents/Carers

I hope everyone at home is keeping well and looking after yourselves. It is a very strange and difficult time for everyone and we need to work together to support each other. We are still getting enquiries from parents wondering when school will be open again. That will be a directive from the Government.

I am very pleased with the hard work children are doing at home. I know there have been teething problems with the website and accessing everything, however we are very lucky to have Mr Adams to help with any issues. If you have any queries on any issues please contact us on enquiries@southfields.coventry.sch.uk and a member of staff will get back to you.

All the staff have been working hard too. The teachers and teaching assistants have been in school as a skeleton staff supporting the children of our critical workers. They have also been working from home planning the curriculum, setting activities for all the children to do, improving their own learning by doing virtual courses and of course preparing for your return to school in the future. We are all thinking about the children and hope that they are keeping up with their education in fun and interesting ways while you have to stay at home.

Our Pastoral team, Lucy, Sam and Debbie have been phoning parents and children offering any help that may be needed. Again, if you have any worries you can contact them through the email.

Our cleaning staff have been in every day systematically going through the classrooms, corridors and offices and giving them a good clean, all ready for your return. Mr Tanner our site officer is busy painting and refreshing the grounds and buildings.

I want to thank everyone working behind the scenes to make Southfields Primary School the best it can be, even if we cannot open at the moment. The website is continually being updated so please check in every day to see any new information and helpful ideas.

Keep safe everyone, keep washing your hands and stay at home. All the staff at Southfields, whoever they are and whatever job they do, send all the very best wishes to all the children and parents.

Best Wishes
Mrs E Hedley

FREE SCHOOL MEALS

The office staff, not to be forgotten, have been working everyday to ensure that parents receive the FSM vouchers we have bought through the WONDE company. Parents have already received wonde vouchers up to the Easter holidays. However, the Government have now brought out a different scheme which they will fund. Therefore, we need all free school meal parents to send us their current email address as soon as possible. Email us on enquiries@southfields.coventry.sch.uk with your child/children’s name. The new scheme will come into effect after the Easter holidays. Thank you to all the office staff.
