

Southfields Community Primary School

East Street Coventry CV1 5LS

Tel: 02476226810

Headteacher: Eileen Hedley

April 2021

Dear Parents and Carers,

We have been back to school for almost a month now and the children have settled in brilliantly. They come in calmly to school in the mornings and focus on their Literacy and Mathematics. We have also designed the curriculum around the Arts for the first fortnight and then around STEM (Science, Technology, Engineering and Mathematics) for the last two weeks. I have seen lots of children have fun and of course enjoying our lovely grounds. We look forward to an uninterrupted Summer Term, hopefully with good weather and where life will begin to have less restrictions.

THANK YOU for continuing to wear your masks on site. The Local Authority and the DFE continue to recommend the wearing of masks while dropping off and picking up children. Please remember to keep your children off school if they are ill. If they have covid symptoms (headache, sore throat, aching muscles, diarrhoea, vomiting, fatigue, cough, temperature, or loss of taste/smell) please get a PCR test done and inform the school immediately.

THANK YOU. Over 50 Easter eggs have been collected for **Hope Community Project** to distribute to needy children in the local area. Thank you for your generosity.

FOOD SUPPORT FOR FAMILIES

Hope Community Grub Hub will be opening soon in the area to offer support for families in need. Membership is **£4.00 per week** and you will receive approx. **£20 of food**. This is a wonderful offer. To sign up, or to donate, call 07956233098 or see the Pastoral Team for an application form.

The Violence Reduction Unit has re-launched their '**10 days of Peace campaign**' throughout the Hillfields community.

The children at Southfields were very keen to take part again and this year each Key Stage created something different from '**Speak Peace**'; '**Hands are to Help not to Hurt**'; and '**A Message a Day May Send Some Worry Away**'.

The purpose of the campaign is to celebrate the positives of the local community and good work that takes place, to think about how we can make our communities more peaceful, but also to take time to remember those we have lost or are struggling as a result of hardship, including the impact of violence and COVID.

Happy Easter Everyone!

School reopens on **Monday 19th April 2021.**

A reminder that school is closed on Monday 3rd May as it is a bank holiday. Best wishes from myself and all the Staff. Enjoy the Easter break and thank you for your continued support.
Mrs E Hedley.
