• Good Learners • Accepting • Respectful • Kind

Dear Parents / Carers,

I do hope that you have had a restful and relaxing summer holidays and are all excited about the new term ahead.

I very much wanted to write to you and introduce myself as the new Headteacher of Southfields Primary School. I am very keen to get to know all of the families, pupils and staff at the school in order that we can work collaboratively to achieve the best outcomes for your children.

I have worked in a range of schools during my career in education, the last four years of which have been as a Deputy Headteacher at a large school in Coventry. I feel very lucky to have been given the opportunity to work with a fantastic staff body to provide the best opportunities and experiences for your children during their time at primary school.

I wanted to convey the message that despite changes to school leadership, the high standards, routines and expectations that Southfields has for its pupils will continue, and any future developments will be shared with you and the whole school community.

As the Headteacher of Southfields Primary School, my main priority is to ensure that your child is safe, happy, and is supported to achieve their potential. I know that family support and involvement is a critical factor in contributing to your child's attainment and development, and I look forward to us working together to achieve a happy and successful school.

I hold the strong belief that an excellent education holds the key to providing your children with the skills, knowledge and ultimately the ability to flourish in modern Britain. As such, I am committed to ensuring that Southfields Primary School provides your child with a broad, rich curriculum that focuses on academic excellence, but also supports your child's personal, social and moral development, and their emotional wellbeing.

It is the duty of all staff at Southfields school to ensure that your child has a wide range of fantastic, enjoyable and fun learning experiences whilst in our care and leaves ready to successfully access the next stage of their education.

I am very keen to meet with parents during the first half term and will organise the opportunity for you to come and meet with me and ask any questions / offer any feedback that you may have.

Thank you for your support and I look forward to a very successful year for all.

Yours sincerely,

Mr James Gale
Headteacher
