## Welcome back to school!

Dear Parents / Carers,

We have all had a wonderful first week back at Southfields School and all of the children have settled in really well to the school routines and their learning. I have had the pleasure of being shown some superb pieces of work from children across the school and I am sure this will continue as the term progresses.

Thank you for helping us to follow school procedures to keep children, staff and parents / carers safe as we arrive and depart from school. We are constantly reviewing these procedures and we will notify you of any changes.

We have some really exciting plans for the year to ensure that your child experiences the best possible teaching and learning at Southfields and we will let you know all about these over the course of the term. We are really pleased to be able to offer children some super sports clubs starting over the next couple of weeks and these have been really well received so far.

Please could you **let the office know if you have changed any of your contact details** (telephone / email / address / adults who can pick children up) as soon as possible so that we are able to contact you with exciting news and to ensure we are keeping everyone safe.

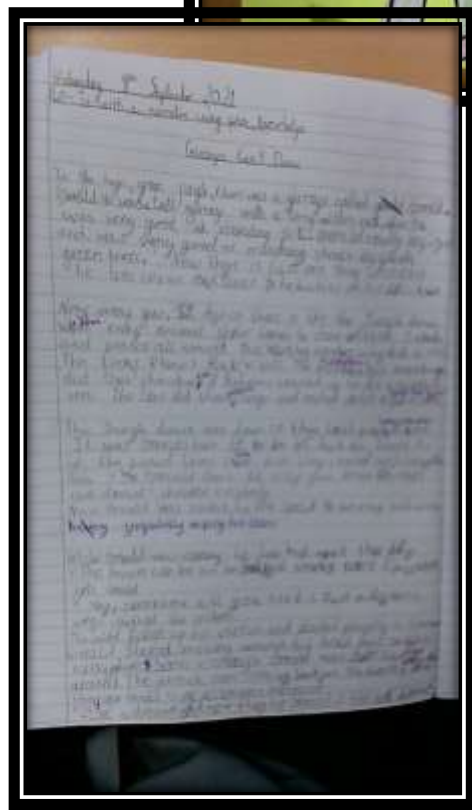

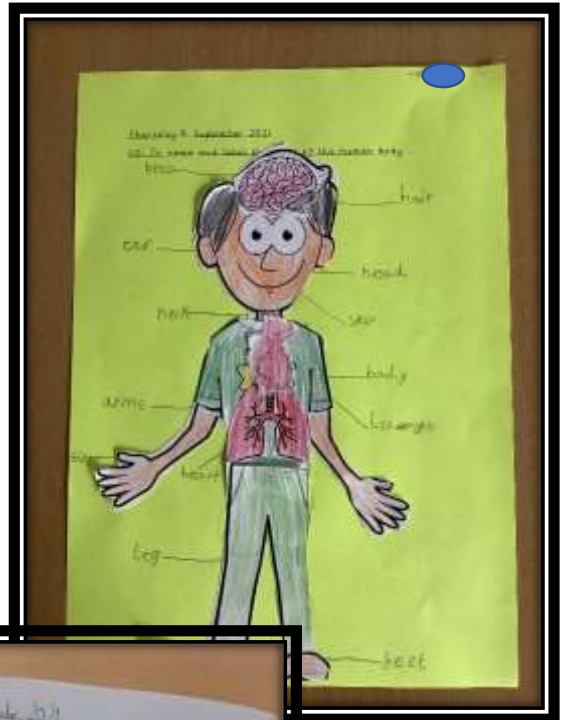

We are also keen to grow our links with the wider community and are **currently looking for a parent governor** to join our welcoming and committed governing body. This would be an excellent opportunity for you to grow your understanding of the school and help contribute to Southfields' development and improvement. If you are interested in this opportunity, please contact the school and I would be more than happy to talk you through this informally.

In the meantime, thank you again for your continuing support and I have attached some photos of the great work that children have completed this week...
